JANUARY, 1984

Dear Friends, Over the last year Victoria VOW has been very busy, even though we seem to have little effect on politicians, people generally are very responsive and our membership continues to grow.

WARTOYS - our leaflet was well received by shoppers - we printed over 5000 copies- they went to pre-schools, nursery schools, churches and to ever school in the Greater Victoria district. Our letter to editor prompted the paper to write an article on wartoys and as a result we had phone calls and requests for leaflets-one came from a toymaker who distributed them at craft fair. As well we phoned and wrote to stores- with little response- but hope that writing again now, when they order for 1984 Christmas- will have some effect.

January Membership Meeting

JANUARY 18 th 1:30 pm

plan actions for spring, International Women's Day, Report on proposed International Women's Peace Summit to be organized by national VOW and to include NATO & Warsaw Pact women. We hope to see you there! At Muriel Mixon's house in James Bay - 23 Paddon Ave. Phone Terry at 595-7519 if you need a ride.

NO MORE HIBAKUSHA!

Victoria VOW is pleased that we are co-sponsoring this premiere with the National Film Board. As you can see by the enclosed flyer, this film does not dwell on the physical agony of atomic victims but focuses on their message and work for peace. This is a good film to bring new people to - so please spread the word, invite your friends and post the flyer. Call Terry for more flyers if you can distribute them. (595-7519) Call Val at 478-7486 if you can help with refreshments.

Membership Renewal 1984

This letter is being sent to all those who have been VOW members in the last few years. Many of you have belonged and have not been involved in Victoria activities. To ensure that you will be contacted on local actions as well as get B.C. and National news and resource material please mail your membership to the Address below. WE WELCOME all women committed to peace, all familiar and new faces to our 1984 peace actions.
