

Dear Victoria VOW,

This has been a busy spring for us. Since our participation in a successful International Women's Day - we had a good crowd at our film show and discussion at the NFB studio and much interest in our display at the IWD celebrations, we have had a display and a speaker at the UVIC World Concerns events in March.

In April we helped work on the Peace Petition Caravan and Campaign and the April 28 Walk for Peace. The Walk was a great event- a beautiful day and a friendly crowd of 7000 in attendance. Two VOW members were speakers and our colourful display with our new aprons " Another Cook for Peace" and our buttons and literature attracted many visitors.

Many thanks to all who contributed to our bazaar. We made nearly \$200 to refill our depleted treasury.

Enclosed is our latest WARTOY leaflet. Please write some letters and encourage others to do so. Making and ordering of Christmas '84 toy stocks has already started.

VOW members are working on a Fall Conference on Women and the Constitution. Contact Milnor 592-8870 for more information.

THE SOVIET THREAT: REAL or HOAX

This promises to be an interesting day and as well our annual Mother's Day event. VOW members do not need to pay registration; but please call Terry 595-7519 if you are coming as VOW members are needed to help - chairing sessions, registration, refreshments etc. Pass the enclosed forms on to friends.

STOP BOMBING KAHO'OLAWA!

The people of this Hawaiian Island oppose the use of their island- declared a USA Historic Site- as a bombing range for the USA military and its allies, including Canada. Forces of the RIMPAC nations on bombing exercises there in June will include vessels from Esquimalt.
