[Observatory Hill, behind the smaller dome, Nov 7, 2006]

Mycena elegans?

Galerina oregonensis

Simocybe rubi

Page 131

[Observatory Hill, behind the smaller dome, Nov 7, 2006]

Psathyrella murcida

Observatory Hill, Nov 14, 2006

Mycena delicatella

Observatory Hill, Nov 13, 2006

Mycena capillaripes

Page 132

[Observatory Hill, Nov 13, 2006]

Mycena hiemalis

Mycena vitilis

Mycena subcana

Mycena atroalboides

Page 133

[Observatory Hill, Nov 13, 2006]

Clitocybe tenuissima

Clitocybe trullaeformis

Ciboria sp. or *Rutstroemia*

Page 134

Observatory Hill, Nov 14, 2006

Pluteus podospileus f. *minutissimus*

Mycena debilis
Mycena abramsii

Page 135

[Observatory Hill, Nov 14, 2006]

Mycena supina
Mycena parabolica
Mycena subcana

Page 136

[Observatory Hill, Nov 14, 2006]

Tephrocybe implexa or *Rhodocybe mundula*
Tephrocybe ozes

Observatory Hill, left side of the road, Nov 14, 2006
Nolanea fructufragrans

Page 137

[Observatory Hill, left side of the road, Nov 14, 2006]

Cortinarius sertipes (or *C. casimiri*)
Cortinarius subsertipes

Observatory Hill, Nov 19, 2006
Psathyrella senex

Page 138

[Observatory Hill, Nov 19, 2006]

Galerina minima
Galerina cedretorum var. *filiformis*
Polyporus decurrens

Page 139

Observatory Hill, Dec 6, 2006

Mycena excisa
Coprinus sp.
